**United Churches Guild** - Meets on the 5<sup>th</sup> June when Brian and Monica Mumford will be reminiscing! On May 1st Fred and Tina spoke about their time in England and Tina brought along Andores who enlightened members about Sickle Cell disease which Tina has unfortunately. She told us that she is the oldest person in Bristol to still be living with Sickle Cell disease. Andores told us many things about the disease of which none of us were aware.

## Breakfast Club

We shared breakfast on Sunday 7th April and the next one will be on 12<sup>th</sup> May.

## AGM

We held our AGM, with captive members, as part of our Sunday morning service. Megan read her detailed report which was informative and entertaining. It is amazing what we get up to over the year!! Linda presented the accounts making us aware that our annual expenditure far exceeds our income.

We now have James back from Korea but unfortunately Sarah has not recovered enough to join him. Our prayers are with the family. Grateful thanks to Linda and Elizabeth for leading worship while James was in Korea on compassionate leave. We are so lucky to have people who are ready to share and lead worship so well.

We were also lucky to have Caroline and Janet join us to play the piano for - Caroline the Good Friday Service and Janet the first Sunday after Easter. We really do enjoy their accompaniment - keeping us in tune.

Last month we had a Spring clean and cleared our boiler house under the sanctuary. We found old staging used on carnival floats back to the Silver Jubilee - a large crown!! We now have room to store more things!!!

Oldland URC Notices are tabled.
